COMPLETE WITH KNIFE, WOODEN SKEWERS AND HANDLE BAR.

Including knife and wooden skewers

Knife for cutting to size and wooden skewers.

Stick System 72 and Stick System 108 are supplied with a special knife for cutting barbecue skewers to size. Also 200 beech wood skewers are included.

Including handle bar

Stainless steel handle bar.

The handle bar allows the use of shorter skewers. Ideal for barbecue skewers with less weight, for **Stick System 72** and **Stick System 108**.

Meat, cheese, vegetables, fruit,
fish, sausage

All advantages at a glance.

- Absolutely equal weight skewers
- Low risk of injury, high routine
- Wide range of product possibilities
- Robust stainless steel construction
- Easy cleaning, dishwasher safe
