## COMPLETE WITH KNIFE, WOODEN SKEWERS AND HANDLE BAR.

Including special knife

**Knife for cutting to size and wooden skewers.**  
Stick System 72 and Stick System 108 are supplied with a special knife for cutting barbecue skewers to size.

Including handle bar

**Stainless steel handle bar.**

The handle bar allows the use of shorter skewers. Ideal for barbecue skewers with less weight, for **Stick System 72** and **Stick System 108**.

Meat, cheese, vegetables, fruit,  
fish, sausage

**All advantages at a glance.**

- Absolutely equal weight skewers
- Low risk of injury, high routine
- Wide range of product possibilities
- Robust stainless steel construction
- Easy cleaning, dishwasher safe
